

For your consideration,

Angel City Media would like to formally submit our interest in the Coalition for Responsible Community Development's 2018 Annual Report.

Here at Angel City Media, we have a combined 20 years of experience delivering successful marketing and advertising work for a variety of clients within the non-profit realm. A few of our past non-profit clients include The Girl Scouts of Greater Los Angeles, The Orthopaedic Institute for Children, The Dream Center Los Angeles, Venice Community Housing and Fame Corporations. Through our work with these organizations, we have had opportunities to develop and produce several annual reports, so we know exactly what it takes from concept to production. These projects have successfully served to spread awareness of the organization, bring in new partnerships, volunteers, and donors, as well as much needed financial contributions, donations, and supplies.

We are very impressed with the work CRCDD has done for the youth in our local Los Angeles communities are familiar with the areas you serve. We believe we could be a great fit and it would be a great opportunity to join in the CRCDD mission by helping to take-on the task of delivering a great 2018 Annual Report to your company.

Sincerely,

Angel City Media
