LETTER FROM PASTOR MATTHEW BARNETT

With Night of Dreams quickly approaching I would like to personally invite you to this very special event. We will be honoring my father's 80th birthday this year. This is an important milestone in the life of this extraordinary leader, and we want to take some time during the night to recognize his incredible contribution to the body of Christ.

When we started the Dream Center 24 years ago my father dreamed that one day we could finish the hospital and occupy it for the sake of helping the most broken and vulnerable people of Los Angeles. The dream has become a reality because of friends like you. Now we get to celebrate a new chapter, the chapter of going beyond our wildest dreams. This night will be extremely special, not only because of this incredible man's monumental birthday, but also because we are celebrating the new place God has taken the Dream Center. New programs, expanding ministry, and a fresh new hour are upon us. This year's Night of Dreams will be one you will never forget... a defining moment of ministry for all of us. We plan to do something remarkable for my father, but his greatest gift would truly be to see his special friends attend. Thank you so much for your partnership, and we can't wait to see you.
